

Release notes for JP BIS Invoice for Non-tax Registered Businesses

Table of Contents

Version 0.9	1
-------------------	---

Changes in code lists are also reflected by changes in the validation artefacts enforcing only valid codes. All validation changes apply to both UBL and CII validation rules.

Version 0.9

Release date 2023-05-19

- Version 0.9 for JP BIS Invoice for Non-tax Registered Businesses
